

Foothills Minor Hockey Association
P.O. Box 5294, High River, AB. Canada T1V 1M4

Hello FMHA members and parents

It has always been our hope hockey would return this season for regular game play however, the current restrictions, timelines and ice availability does not make it feasible. Effective February 4, 2021 following our meeting with Hockey Alberta the difficult decision has been made to cancel the remainder of the 2020/21 season for Foothills Minor Hockey. The abrupt end to the season is obviously unfortunate. We would like to thank the coaches, players, parents, staff and volunteers helping the association through this difficult time. I can assure you this is the last time we want to write a message to the FMHA members confirming that a season has been cancelled.

Regarding refunds - We will be providing more information on the amount and the process for the refunds once we receive final costs of the season from Hockey Alberta as well as the Leagues our teams play in and other sundry costs. As you are all aware; due to the COVID-19 restrictions, each player was responsible for their own jerseys this season. Please arrange to bring all jerseys to your respective team managers by the end of February. On March 1 \$150 per jersey will be deducted from any refund owed to members if not returned. We will be aiming to have all refunds completed by end of March. We appreciate your patience in this matter.

On behalf of the FMHA Executive & Board we want to thank the members, volunteers, players and referees who help make this association proceed year after year. We are truly grateful and fortunate to be part of such an association.

Duncan McLeish

FMHA Vice President
