 - a. U9 Team 2 and U13 Team 1 did utilized any funds to date.
 - b. Only U18 utilized the goalie funds allocated.

FORECASTING:

Please see the email that I sent out regarding the forecasting to make sure that fees being charged cover all expenses. If there are any questions or any lines I have missed, please let me know so that we can discuss before I go ahead and work on this for next season.

2023-2024 Registration

Team Snap is offering a version 2 which rolled out a year ago apparently.

Tanya and I attended a zoom meeting with a Team Snap rep and it looks like this version 2 will enable us to set up two bank accounts, one for Bison's and one for FMHA. The difference in the pricing is that versions 2 charges per batch of players verses, version 1 charging us for the teams.

I'm waiting for a new invoice changing our renewal date to April 1 as well as what the new few would be. She did send out an invoice with adding the upgrade to our account and it was going to be approximately \$200 US more. This was without changing the renew date. So I'm expecting that it will be around that price.

If this is something that FMHA would want to switch to, then I will need a motion so I can make this switch before opening registration on May 1.

Ice

Blackie is open September 11. Ice cost is going up to \$163/hr

High River hasn't released when they are open, they said they would like to open earlier than last year. They are not changing their rates this year, however one major change to the High River cancellation policy is 30 days. However, HR has been gracious in the tiering and playoff season times in the past.

Because of the possible renovations on the large ice next summer they did say that pending the results of the testing and they might pull their ice out early March. They will have these dates early fall.

RESPECT IN SPORT

Email was sent to all expiring RIS-parent. I didn't check to see if people have done it.
