- February 27th will be the last Friday night clinic ice.
- Tournaments for next year: Rachelle would like to book a tournament in December and one in January.

❖ **Treasurer's Report:**

- Waiting on January reff-ing statement
- The donations to FMHA are going to offset the Friday night clinics
- We need to send a Thank You to the Flyers for the \$500 donation to FMHA

❖ **New Business**

- **Year End Banquet:** Ticket sales have been opened up to First Come, First Serve. Alison is asking level directors to help with push ticket sales.

❖ **Old Business**

❖ **Executive Reports**

❖ **Development Director's Report**

-Rachelle, Miles and Dustin went over projection numbers for next year. Everything looks good. Only issues that may arise is we are a little low for numbers in U13. As well no goalies for that age group. Going to need a new plan for development of goalies. Need to move it from Friday to during week. Can't get goalies out on Fridays. I believe we need discounts on fees for all goalies.

-Friday development sessions seem ok if we are combining age groups. Only way to get numbers up.

-We need a plan for evaluations. Should do an evaluation meeting in March. We need to decide if we should pay for evaluations or not. Keep in mind it was extremely hard to get volunteer evaluators out. I probably spoke to 50 plus people and ended up with less than 10. Had lots of no shows and last-minute cancellations. Plus, quality of evaluators will suffer a bit when your begging people to come out. Something to think about for next month.

Continue to receive minor requests to replenish puck counts and first aid supplies. Have also placed our order for the McDonald's Rising Arches (formerly Atomic) U11 jerseys. Two full sets ordered (home and away for both U11 teams).

Will now start to prepare and plan for the end of the season rush. Will consider and most likely be placing inventory orders at the end of the season. This would include another order or socks and replacement jerseys (should be in a really good spot here now though and shouldn't have to order much). Will speak with Christine prior to any purchase.

More comments being received regarding diamond embroidery. Still need to speak with Kristal around service, webpage, and purchase options. Will also speak to Flys to have them agree to be included on FMHA webpage. Should be able to look after these conversations in the coming weeks.
